DESCRIPTION AND CONDITIONS:

The Community Development District (CDD) is a form of special taxing district authorized by Chapter 190, Florida Statutes. The district is formed by the landowner(s) as a means for financing infrastructure for large-scale developments through the sale of tax-exempt bonds. The future residents and/or owners of land then make the payments with revenue gained by the levy of special assessments and ad valorem taxes (districts are held to a three mill cap) to retire the bonds and to pay the operating expenses of the district. A disclosure statement must be furnished to all buyers, and contracts for the sale of property within the district must contain information about the district. A CDD does not function as a homeowners' association.

On January 30, 1998, representatives for Pulte Home Corporation submitted a petition to the Growth Management/Zoning Department to establish the Lexington Oaks CDD pursuant to the Uniform CDD Act of 1980, Florida Statutes, Chapter 190. Lexington Oaks is located in Central Pasco County on the west side of S.R. 54, approximately one mile west of I-75. The land area to be served by the district is a parcel of unimproved real property containing approximately 827 acres. The primary landowner and developer is Pulte Home Corporation, a Michigan corporation. The proposed district is designed as a master planned, mixed use community with a golf course and recreational facilities. The project is proposed to contain approximately 1,572 residential units. To date, 802 residential units have been approved by the County.

CDD is an independent unit of special purpose, local government authorized by Chapter 190, Florida Statutes, to plan, finance, construct, operate, and maintain communitywide infrastructure in large planned community developments. CDD plans to provide the following facilities and services: 1) roads and street lighting; 2) water, wastewater, and reclaimed water; 3) surface water management; 4) landscaping and security; and 5) recreational facilities. The district will impose special assessments on properties within its boundaries to finance the infrastructure and district funds, and to defray the costs of operating and maintaining the infrastructure and associated facilities.

Examples of CDD'S in Pasco County are Meadow Pointe CDD, Meadow Pointe II CDD, Northwood CDD, Lake Bernadette CDD, and Heritage Pines CDD.

AN ORDINANCE ESTABLISHING THE LEXINGTON OAKS COMMUNITY DEVELOPMENT DISTRICT PURSUANT TO CHAPTER 190, FLORIDA STATUTES; SPECIFYING GENERAL AND SPECIAL POWERS OF THE DISTRICT; DESCRIBING THE BOUNDARIES OF THE DISTRICT; NAMING THE MEMBERS OF THE BOARD OF SUPERVISORS; PROVIDING FOR THE ADMINISTRATION, OPERATION, AND FINANCING OF THE DISTRICT; PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, Pulte Home Corporation (the Petitioner) has petitioned the Pasco County Board of County Commissioners (the County) to adopt an ordinance establishing the Lexington Oaks Community Development District (the District) pursuant to Chapter 190, Florida Statutes; and,

WHEREAS, the County finds that all statements contained in the Petition to Establish the Lexington Oaks Community Development District (the Petition) are true and correct; and,

WHEREAS, the County finds that the creation of the District is not inconsistent with any applicable element or portion of the State of Florida Comprehensive Plan or the Pasco County Comprehensive Plan; and,

WHEREAS, the County finds that the area of land within the District is a sufficient size, is sufficiently compact, and is sufficiently contiguous to be developed as a functional interrelated community; and,

WHEREAS, the County finds that the District is the best alternative available for delivering the community development services and facilities to the area that will be served by the District; and,

WHEREAS, the County finds that the community development services and facilities of the District will not be incompatible with the capacity and uses of existing local and regional community development services and facilities; and,

WHEREAS, the County finds that the area that will be served by the District is amenable to separate special-district government; and,

WHEREAS, the County finds that a Community Development District does not substitute for a homeowners' association; therefore, the creation of a homeowners' association shall be required prior to the record platting on each phase within the development; and,

WHEREAS, the County finds that the numbers of residential units planned within the District may require community facilities to be used to accommodate the establishment of a polling place by Pasco County Supervisor of Elections; and,

WHEREAS, the County finds that the District will constitute a timely, efficient, effective, responsive, and economic way to deliver community development services in the area, thereby providing a solution to the County's planning, management, and financial needs for delivery of capital infrastructure therein without overburdening the County and its taxpayers.

NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners of Pasco County, Florida, as follows:

SECTION 1. That there is hereby created the Lexington Oaks Community Development District which shall operate in accordance with the charter attached as Exhibit 1.

SECTION 2. SEVERABILITY.

It is declared to be the intent of the Board of County Commissioners of Pasco County, Florida, that if any section, subsection, sentence, clause, or provision of this ordinance shall be declared invalid, the remainder of this ordinance shall be construed as not having contained such section, subsection, sentence, clause, or provision, and shall not be affected by such holding.

SECTION 3. EFFECTIVE DATE.

A certified copy of this ordinance shall be filed in the Office of the Secretary of State by the Clerk to the Board within ten (10) days after adoption of this ordinance, and shall take effect upon official acknowledgment from that office that said ordinance has been filed.

IV. BOARD OF SUPERVISORS

The Board of Supervisors (the District Board) shall be the governing Board of the District. The District Board shall exercise the powers granted to the District pursuant to this Charter, Chapter 190, F.S. or other applicable law.

A. Membership

(1) The initial District Board shall consist of the following five members:

Stephen M. Bennett
R. Scott Griffith
Mark Wolok
Debbie Leech
William Bullock

Except as otherwise provided herein, each member shall hold office for a term of four years and until his successor is chosen and qualifies. The members of the District Board must be residents of the state and citizens of the United States.

(2) Within 90 days following the effective date of this Charter, there shall be held a meeting of the landowners of the District for the purpose of electing five supervisors for the District. Notice of the landowners' meeting shall be published once a week for two consecutive weeks in a newspaper which is in general circulation in the area of the District, the last day of such publication to be not fewer than fourteen (14) days or more than twenty eight (28) days before the date of the election. The two candidates receiving the highest number of votes shall be elected for a period of four (4) years, and the three (3) candidates receiving the next largest number of votes shall be elected for a period of two (2) years. The members of the first board elected by landowners shall serve their respective four (4) year or two (2) year terms; however, the next election by landowners shall be held on the first Tuesday in November. Thereafter, there shall be an election of supervisors with respect to those supervisors whose terms are expiring every two (2) years on the

first Tuesday in November. The two (2) candidates receiving the highest number of votes shall be elected to service for a 4-year period and the remaining candidates elected shall serve for a 2-year period.

(3) If the District Board proposes to exercise the ad valorem taxing power authorized by §190.021, F.S. as amended, the District Board shall call an election at which the members of the District Board will be elected. Such election shall be held in conjunction with a primary or general election unless the District bears the cost of a special election. Each member shall be elected by the qualified electors of the District for a term of four (4) years, except that, at the first such election, three (3) members shall be elected for a period of four (4) years and two (2) members shall be elected for a period of two (2) years. All elected Board members must be qualified electors of the District.

(4) Members of the District Board shall be known as supervisors and, upon entering into office, shall take and subscribe to the oath of office as prescribed by §876.05, F.S. They shall hold office for the terms for which they were elected or appointed and until their successors are chosen and qualified. If, during the term of office, a vacancy occurs, the remaining members of the District Board shall fill the vacancy by an appointment for the remainder of the unexpired term.

(5) A majority of the members of the District Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the

members present unless general law or a rule of the District requires a greater number.

(6) As soon as practicable after each election or appointment, the District Board shall organize by electing one of its members as chairman and by electing a secretary, who need not be a member of the District Board, and such other officers as the District Board may deem necessary.

(7) The District Board shall keep a permanent record book entitled "Record of Proceedings of Lexington Oaks Community Development District," in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, bonds given by all employees, and any and all corporate acts. The record book shall at reasonable times be opened to inspection in the same manner as state, county, and municipal records pursuant to Chapter 119, F.S. The record book shall be kept at the office or other regular place of business maintained by the District Board in Pasco County.

(8) Pursuant to resolution of the District Board, each supervisor shall be entitled to receive for his or her services an amount not to exceed \$200.00 per meeting of the Board of Supervisors, not to exceed \$4,800.00 per year per supervisor, or an amount as may be established by the electors of the District at referendum. In addition, subject to approval by the District Board, each supervisor shall receive travel and per diem expenses as set forth in §112.061, F.S., (1990).

(9) All meetings of the District Board shall be open to the public and governed by the provisions of Chapter 286, F.S.

B. Duties

(1) The Board shall employ, and fix the compensation of, a District Manager. The District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of this Charter, Chapter 190, F.S., or other applicable law, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the District Board. It shall not be a conflict of interest under Chapter 112, F.S., for a District Board member or the District Manager or another employee of the District to be a stockholder, officer, or employee of a landowner within the District. The District Manager may hire or otherwise employ and terminate the employment of such other persons, including, without limitation, professional, supervisory, and clerical employees, as may be necessary and authorized by the District Board. The compensation and other conditions of employment of the officers and employees of the District shall be as provided by the District Board.

(2) The District Board shall designate a person who is a resident of the state as treasurer of the District, who shall have charge of the funds of the District. Such funds shall be disbursed only upon the order, or pursuant to the resolution, of the District Board by warrant or check countersigned by the treasurer and by such other person as may be authorized by the District Board. The District Board may give the treasurer such other or additional powers and duties as the District Board

may deem appropriate and may fix his compensation. The District Board may require the treasurer to give a bond in such amount, on such terms, and with such sureties as may be deemed satisfactory to the District Board to secure the performance by the treasurer of his powers and duties. The financial records of the District Board shall be audited by an independent certified public accountant at least once a year.

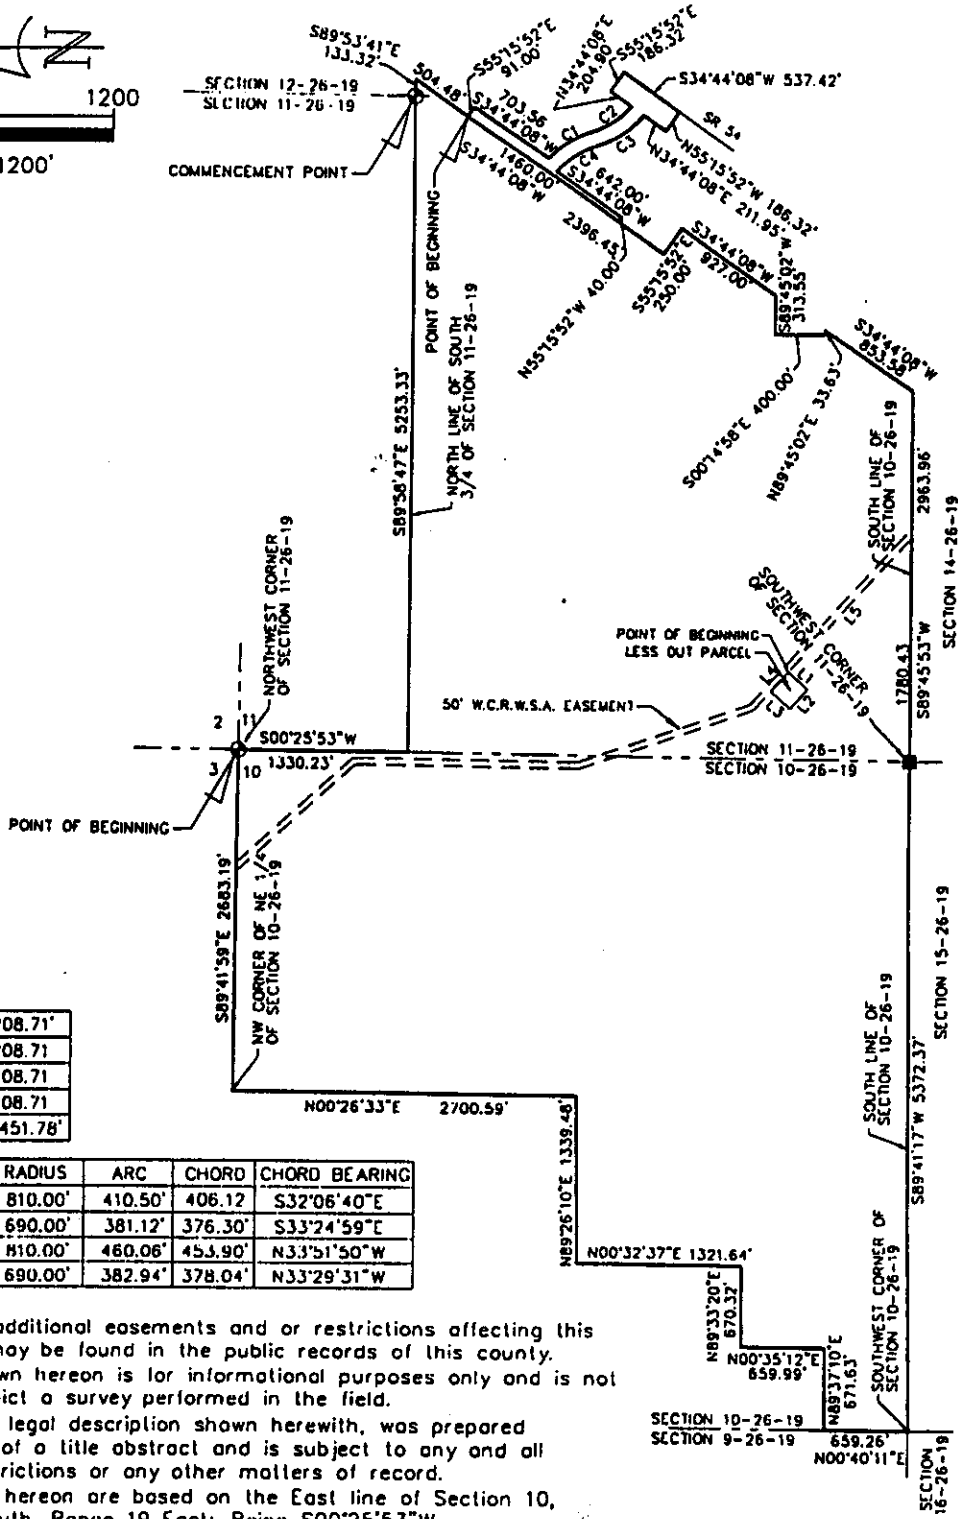

V. OPERATION OF THE DISTRICT

The operations, requirements for disclosure, duration and dissolution, and all other affairs and practices of the District shall be governed by and in accordance with Chapter 190, F.S. and other applicable law.

VI. FUTURE AMENDMENTS TO LAW

In the event of any future amendments to Chapter 190, F.S. or to any other law applicable to the District, such amendments shall be applicable to the District if it is otherwise the intent of such amendment that it apply to community development districts in existence at the time of enactment or upon the effective date of such future amendments. In the event such future amendments provide that their applicability shall be discretionary or subject to specified conditions, this Charter shall not affect the exercise of such discretion or the conditions upon which such future amendments would become applicable to the District.
